YOUR SUSTAINABLE LIFESTYLE JOURNEY

WORK GREENER

1. Work with climate organisations to reduce carbon footprint
2. Bank with an ethical bank
3. Invest your pension sustainably

CONSUME LESS

4. Reduce energy and water use, avoid products that add to pollution
5. Refuse, reduce, reuse, repurpose, recycle
6. Make wise food choices

GET ACTIVE

7. Garden for wildlife
8. Become a citizen scientist
9. Get your hands dirty with conservation volunteering
